

MOI IV Scholarship Application Form

1. Personal Data

1.1 Personal Information

Last Name:

First Name:

Middle Name(s):

Highest Academic Degree:

Gender: Female Male

Date of Birth (dd/mm/yyyy):

Place of Birth (City, State, Country):

Nationality:

1.2 Corresponding Address

Institute/Group/Department:

University:

Address Supplements:

Street, Number:

ZIP Code:

City:

District/State:

Country:

1.3. Home Address (if not Corresponding Address)

Address Supplements:

Street, Number:

ZIP Code:

City:

District/State:

Country:

1.4. Contact Details: Phone, Fax and Email

Please provide reliable numbers and email address where we can contact you regarding the process of your application or for any further information needed by MOI.

Phone Number (including International Direct Dialling Prefix):

Fax Number (including International Direct Dialling Prefix):

Mobile Number (including International Direct Dialling Prefix):

Email Address:

2. Education & Training

2.1 Secondary Education Qualifying for University Entrance (e.g. College, Gymnasium etc.)

Please enclose a certified copy of the university entrance qualification (school leaving certificate) and an authorized translation into German or English if written in a different language.

Name of Institution/School, City, Country:

From (mm/yyyy):

To (mm/yyyy):

Name of Final Degree/Qualification (e.g. Abitur, Matura, Student, etc.):

Date of Final Degree (dd/mm/yyyy):

Please describe briefly (Majors):

2.2 University – First Degree or Intermediate Examination (e.g. BSc)

Please enclose a certified copy of your certificate and according supplements (transcript of records) and an authorized translation into German or English if written in a different language.

Name of University, City, Country:

From (mm/yyyy):

To (mm/yyyy):

Main Subject(s):

Name of Degree/Intermediate Examination (e.g. BSc, Vordiplom):

Date of Degree/Intermediate Examination (dd/mm/yyyy):

Title of Thesis (if applicable):

Name of Academic Advisor (if applicable):

Abstract of Thesis (if applicable):

2.3 University – Second Degree (e.g. MSc)

Please enclose a certified copy of your certificate and according supplements (transcript of records) and an authorized translation into German or English if written in a different language.

Name of University, City, Country:

From (mm/yyyy):

To (mm/yyyy):

Main Subject(s) as stated on final certificate:

Name of Degree/Grade/Qualification (e.g. M.Sc., Diploma or Equivalent):

Date of Degree (dd/mm/yyyy):

Title of Thesis:

Name of Academic Advisor (if applicable):

Abstract of Thesis:

2.4 University – Other Degree(s)

Please enclose a certified copy of your certificate and according supplements (transcript of records) and an authorized translation into German or English if written in a different language.

Name of University, City, Country:

From (mm/yyyy):

To (mm/yyyy):

Main Subject(s):

Name of Degree/Grade/Qualification:

Date of Degree (dd/mm/yyyy):

Title of Thesis (if applicable):

Name of Academic Advisor (if applicable):

Abstract of Thesis (if applicable):

2.5 Chinese or Indian Applicants

Chinese applicants: Please submit a valid APS certificate from the German Embassy in Beijing attached to your application documents. For further information please visit: www.aps.org.cn

Indian applicants: Please submit your recent GATE (Graduate Aptitude Test in Engineering) results of papers in Life Sciences (XL) attached to your application documents. For further information please visit: <http://gate.iisc.ernet.in>

2.6 Qualified Education and Training

Please give a brief chronological overview of your relevant education, training and professional experience after leaving school (College/Gymnasium etc.).

Please include:

- a) Main courses of your second-degree study (Hauptstudium, Master study) at university
- b) Qualified trainings, internships, courses, etc. outside university
- c) Other qualified occupations or professional work experience – especially when your education was interrupted. Please specify obtained qualification, grades and names of companies or institutions, if applicable.

From (mm/yyyy)	To (mm/yyyy)	Experience

3. Language Skills

3.1 German Language

If applicable, please enclose a certified copy of your German language skills (reports, test results, school certificates, etc.)

Are you a native speaker of German? Yes No

If not: Do you have a language certificate in German (TestDaf or similar)? Yes No

Give the name of the test and date when taken:

Score/Grade achieved in test:

Describe briefly any other training in German (e.g. school education), if applicable:

3.2 English Language

If applicable, please enclose a certified copy of your English language skills (reports, test results, etc.)

Are you a native speaker of English? Yes No

If not: Do you have a language certificate in English (TOEFL or similar)? Yes No

Give the name of the test and date when taken:

Score/Grade achieved in test:

Describe briefly any other training in English (e.g. school education), if applicable:

4. Research Experience

Please give a short description of your main study areas as well as techniques and methods you applied during your Master or Diploma thesis. If you have carried out other research prior or after your second university degree, please specify briefly in a separate paragraph:

5. Publications, Posters, Conferences

If applicable, please list your publications (author(s), year, title, journal, volume, pages), conference posters and/or conference talks (author(s), year, name of conference, city, country):

6. Honors & Prizes

If applicable, please list your scholarships, prizes and/or honors:

7. Social Activities

Please list briefly:

8. MOI Scholarship and Scientific Field Preferences

The Manchot Graduate School "Molecules of Infection" (MOI) consists of 18 core research groups working on the complex web of pathogen-host interactions that characterize the course of infectious diseases. 5 groups have PhD scholarships available. More detailed information about these groups is available on the MOI website (www.moi.hhu.de) under the heading "Research Program". Please read these project summaries carefully before you answer the following questions.

I would prefer to work on the following projects:

Please tick the boxes you are interested in. For more details: www.moi.hhu.de

A) Mechanisms of viral infections

- P2: Interaction of the Hepatitis C virus protein NS5A with tyrosine kinase SRC in the context of the viral replication complex (Prof. Dr. Dieter Willbold und Dr. Oliver Weiergräber, Institut für physikalische Biologie)

B) Bacterial proteins in infection and infection control

- P9: How can a eukaryote control a bacterial endosymbiont? - Studies on the cellular functions of the endosymbiont-associated host proteins ETP5 and ETP6 in the trypanosomatid *Angomonas deanei* (Jun. Prof. Dr. Eva Nowack, Emmy Noether-Gruppe „Mikrobielle Symbiose und Organellenevolution)

D) Control of immune response to infection

- P13: Role of Tryptophan 2,3-dioxygenase during murine Toxoplasmosis and Neosporosis (Prof. Dr. Walter Däubener, Institut für Medizinische Mikrobiologie und Krankenhaushygiene)
German speakers only

I have no preference

Did you already contact the group directly?

yes

no

I apply for a:

MOI IV PhD scholarship

I could start with PhD studies earliest on:

(dd/mm/yyyy)

9. Motivation and Future Research Interests

Please describe your motivation to apply for a MOI scholarship and your future research interests. Add this letter of motivation (max. one page) as **additional attachment** to your application.

10. References

Please provide names and complete addresses of at least two referees who have agreed to fill in the MOI IV Recommendation Form which you got as attachment.

Referee 1

Name:

Institution:

Address:

Email:

Referee 2

Name:

Institution:
